Could you pay less?

Your personal projections

Electricity £1,554.36 for the next 12 months
Based on your current tariff. Includes any discounts and VAT at 5%.

Electricity

Based on your current choices you could save £35.03 by switching to:
- Fixed monthly Direct Debit

You could save £195.53 by switching to:
- E.ON Saver Fixed 1 Year v9 and moving to single rate electricity
- Fixed monthly Direct Debit

We'll tell you if you could save money again on every bill. We may withdraw our fixed price tariffs from sale at any time without warning, so the savings shown above may no longer be available. Savings are calculated by comparing the personal projection above with 12 months on our cheapest tariff for you. Electricity calculations based on your estimated use. Includes VAT at 5%. Remember - if you switch tariffs, your terms and conditions may change significantly. E.ON EnergyPlan prices may change at any time. More information about your tariff can be found in the 'About your tariff' section. Remember - it might be worth thinking about switching your tariff or supplier.
