This is an estimate based on your expected annual energy usage, and your current tariff rates, charges and discounts, including VAT. Actual bills will vary depending on your usage and tariff selection. More information about your current tariff can be found overleaf.

Could you pay less?

Remember - it might be worth thinking about switching your tariff or supplier.

For your electricity (on meter point 1200050936847)

Good news, you're already on our cheapest variable tariff. We'll let you know if this changes.

You could save £6.00 a year by switching to our Next Online January 2021, a fixed tariff. Although as a fixed tariff, it is subject to slightly different terms to your current variable tariff.

To find out more about changing tariff, just drop us an email to hi@eonnext.com and we'll sort it for you.
