PREVIOUS TAX CODE BR

If necessary we will use this box to give you further information about your tax code

This code is being operated on a week1/month1 basis as I understand you are working for more than one agency. Code BR will be operated on your income from this employment from the 6th of April next.
If you are being paid by this agency at the 6th of April next please contact your main Tax Office who will review your code.

When you start a new job your tax code normally takes account of any tax you have already paid in the tax year. We do not have these details yet, so for the time being, no account will be taken of the tax you have already paid. We are arranging to get details of your previous tax payments. If you are due a refund it will be made to you as soon as possible.
