Dear Sir / Madam,

PUBLISHED REGISTER OF ELECTORS – NEW ENTRY

Further to your application to be put onto the current Register of Electors, I am pleased to inform you that your application form was completed correctly and you have now been included at the above address on the full register supplement published on 1st July 2004.

Consequently, an entry will appear on the register and will be retained for an indefinite period enabling you to vote, provided you are eligible, at forthcoming elections. To ensure our records are accurate we update the register in the autumn each year and will send correspondence to your address to confirm your details. Please let us know of any changes which may occur during the year, so that we can keep the register as up to date as possible.

Please do not hesitate to contact the Elections Office if you have any questions about your electoral registration.

Yours sincerely

Richard Lefley
